

TUNNEL & BRIDGE CLEANER

Soot & Exhaust Stain Remover

Paint Preparation Washer

Graffiti Remover

SC40006DAF

SC Series – Mobile Wash Skid

Hot / Cold Water – Self Contained: Diesel Heated, Diesel Engine

The **SC Series, AF models** offer the most versatile hot water pressure washers on the market today. Each skid allows the operator to vary the flow of the machine and reliably handle a two-gun set-up. The system is engineered to uniquely balance 1 or 2 gun operations. This series is powered by industrial engines, hi torque–low RPM belt driven pumps and a burner system with a 2.9Kw generator, providing clean, reliable 115V power for sustained burner operation. Simply add the second gun/hose kit (part# AVG53) if needed for second operator.

Tunnel cleaning & washing

Cleaning solutions for government, municipal, & military

Bridge cleaning & washing

Featuring:

- ✓ **On-board Generator** provides supplemental power outlets to run lights or other accessories
- ✓ **Super Duty Heating system** uses schedule 80 coil, double wall stainless steel, and ceramic insulation combined with a proven 115v oil fired burner for durability and efficiency
- ✓ **Water-cooled diesel engine** outperforms air-cooled engines
- ✓ **Single diesel fuel supply** for both engine and burner for convenience
