

### Hot / Cold Water – Self Contained: Diesel Heated, Gas Engine

The **SC Series** is a high output hot mobile wash skid with serious cleaning power. It was designed to withstand the daily use by professionals who rely on its dependability to make a living. Its high impact power enables it to handle just about any size cleaning task with ease and without the need for an outside power source. The SC Series is powered by industrial engines, hi torque–low RPM belt driven pumps and reliable 110v burner system with a 2.9Kw generator, providing supplemental power outlets for running lights or accessories. If portability is needed add a wheel kit or mount on a trailer, truck bed or tank skid.
