SM Series – Portable Wash Skid

Steam / Hot / Cold Water – Self Contained, Portable: Diesel Heated, Gas Engine, 12v Burner

The SM Series is a compact and portable wash skid. It is powered by a gas engine and ready for use wherever a water source is available, no electricity required. With a SpiraLast coil and 12v burner you will quickly and efficiently heat water to effectively blast away grease and grime. The SM Series includes airless tires to eliminate flats on a jobsite and is easy to maneuver with the integrated handles. Stainless panel, coil enclosure, and rain guard are rust resistant and keep your machine looking great for years. The SM Series is a value conscious choice in hot water pressure washers without sacrificing performance, features, and operator safety.

PRESSURE	3000psi
FLOW CAPACITY	3gpm
OUTLET TEMP	Adjustable to 250°F (130°F rise)
POWER/ENGINE	270cc Honda – pull start, single cylinder
ENGINE FUEL/CAP	Unleaded / 6.4 qt fuel tank integrated into the engine
CONTROLS/SWITCHES	Adjustable thermostat, lighted control switch
PUMP	AR Pump
POWER DRIVE	Direct Drive
PRESSURE CONTROL	Unloader valve, Industrial fittings, Safety burst disc, Relief valve
WATER SUPPLY	Pressure feed from garden hose
PRESSURE HOSE	3/8" x 50', 3000psi
GUN/WAND	48" molded insulator wand with quick coupler
SOAP INJECTION	Downstream soap injection option available
NOZZLE	Size 3 (15°, 40°), 2.5 (Steam)
BURNER COIL	Spiralast™ robotically fused 1/2"sch. 80 steel, cold rolled, compact, 4 spiral, ceramic insulation
BURNER/POWER	Oil fired, 12V, 20amp fuse protected, auto ignition, inline fuel filter
BURNER FUEL/CAP	Diesel fuel, kerosene, or fuel oil, 8 gallons – 260,000 Btu input
CONSTRUCTION	Rugged, square tube steel frame, stainless panel, coil wrap, and double-wall coil end caps
WHEELS	Airless 4) wheel kit is included
WEIGHT/DIMENSION	309#, 36" l x 28" w x 37" h

Specifications subject to change without notification and may vary due to ambient conditions – Battery not included

Featuring:

- ✓ **Airless tires** to prevent flats when pushing through an area with nails and glass
- ✓ **Stainless Steel** panel, coil wrap, & rain guard for Lifetime Corrosion Resistance
- ✓ **Multiple safety features** protect the equipment and operator: high limit thermostat, pressure relief valve, safety burst disc, and thermal pump protection
- ✓ **Commercial Honda engine**

Options...

Hour meter (AM305), Downstream soap injection kit (AC340), Stainless steel frame upgrade (HSM22), Frame mount pivoting hose reel (AR425-requires jumper hose)
