

# CP COLD PRESSURE WASHER

CP SERIES: COLD WATER, GAS ENGINE, PORTABLE

POWERED by  
**HONDA**™

**Stainless Steel  
Base and Axle**

4000psi ... ZERO AGGRAVATION

**HYDRO TEK**

# COLD PRESSURE WASHER

## GAS POWERED, PORTABLE

**CP**  
SERIES

### ■ Rugged Construction:

Stainless Steel base plate and axle provides a lifetime of corrosion resistance. Weld free, double wall, stainless steel engine mounting base provides incredible strength and support and reduces vibration

### ■ Portability:

Airless tires provide peace of mind and eliminate the frustration of having a flat tire

### ■ Commercial Engine:

Reliable and industry proven pull start Honda GX390 engine is an air-cooled 4-stroke OHV single cylinder engine with easy-start recoil, low oil protection, and increased fuel efficiency

### ■ EZ Start, Non-integrated Unloader:

This external unloader is easy to access and maintain without having to remove the pump. Additionally this unloader is designed to make starting your pressure washer much easier without having to activate the trigger gun.

### ■ Direct Drive Pump:

Triplex, ceramic plunger General Pump for industrial duty use. External bypass path provides a radiator effect for superior pump protection while in bypass. Thermal dump valve provides added pump protection if left in bypass.

### ■ Downstream Detergent Application:

Downstream soap injection kit with quick disconnects are included for easy soap control from the wand when needed

### ■ Safety Certified:

UL 1776 Safety certified with added components to ensure operator safety

### ■ More standard features:

- Nozzles set with insulated quick couplers. Grommets are inserted into the base plate to keep nozzles within reach.
- Heavy duty gun and wand with 50' wire braid high pressure hose are the same as used on Hydro Tek hot water pressure washers for industrial duty use.
- Quick coupler hose connection to easily remove gun/wand/hose for storage or to add additional lengths of hose

GENERAL PUMP

**POWERED by**  
**HONDA**™

### Specifications

| Model     | PSI  | GPM | CC  | Engine                      |
|-----------|------|-----|-----|-----------------------------|
| CP40004HG | 4000 | 3.5 | 389 | GX390 Honda Gas, pull start |

Specifications may vary, consult factory for custom models

**Dimensions:** 38"L (incl. handles) x 22"W x 23"H

### Optional Accessories:

Hot Link™ (CPHL), Hydro Twister® surface cleaner
